

The Homes of Hidden Oaks

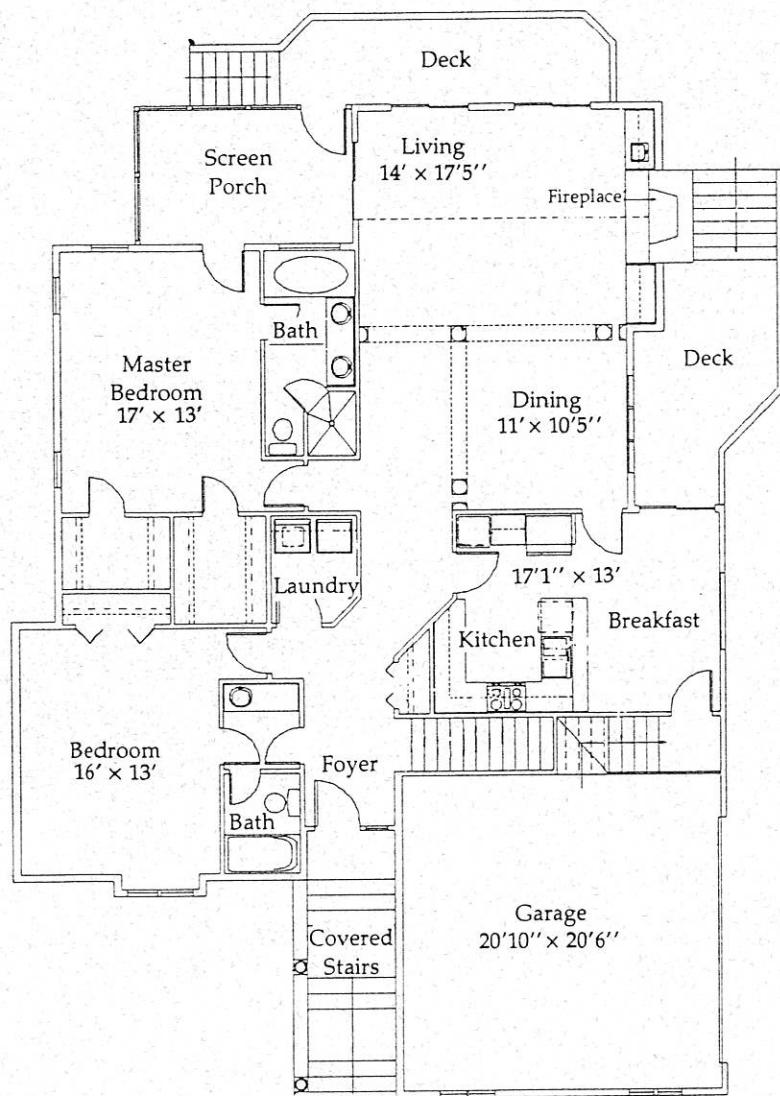

Elevations, Plan A

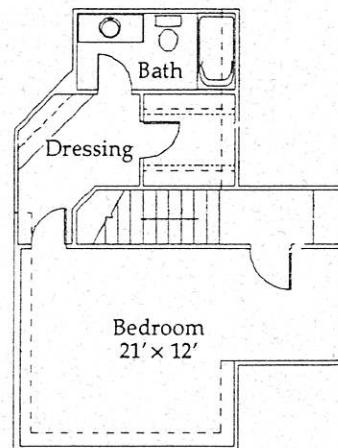

The elevations and floor plans are for illustrative purposes only. There may be a slight variance between the actual residence and floor plans. All dimensions are approximate and subject to structural and architectural revisions. The design elevations of The Homes of Hidden Oaks are subject to approval by the Architectural Review Board of the Seabrook Island Property Owners Association.

Floor Plan A

First Floor

Second Floor

This light and airy floor plan of 1800 square feet features a living room with fireplace, bookcases, and wet bar, a master bedroom suite with screened porch and giant walk-in closets. The scheme provides one bath per bedroom. An optional bedroom and bath can be finished over the garage. With this completed option, the plan becomes 2250 square feet.

The Homes of Hidden Oaks is a development of Knebworth of Seabrook, Inc. So why not call the exclusive listing agent, Seabrook Island Realty, today?
